See What's New in the World of Biological Molecule Separations and Analysis

On behalf of the 2019 Conference Committee, we wish to welcome you to ISPPP 2019, the premier meeting where scientists from around the world will deliver some of the most cutting-edge presentations on new advances and applications for separation scientists addressing all issues of separation and analysis of proteins, peptides, polynucleotides and related biomolecules with modern techniques. Experts will address key developments and applications, productivity and financial challenges, and novel approaches related to biological molecule separations and analysis focusing on the latest innovations in technologies that are critical in clinical and biopharmaceutical research, and are requirements in the manufacturing and quality control of new biotherapies and diagnostics. Particular emphasis is placed on high speed, comprehensive, and ground-breaking aspects of separation science as applied to classes of biochemical analyses and the consequences of these analyses. Biological separations from analytical to micro-preparative to industrial scale will be covered.

The conference brings together many of the world's leading scientists to discuss new advances and applications of interest to bioanalytical scientists and process engineers in the bioscientific industry. The Symposium specializes in providing a forum for the communication of cross-discipline scientific technologies to researchers in pharmaceutical companies, research institutes, and universities. The conference attracts scientists, engineers, managers, and technicians who use or direct programs involved in the separation or characterization of biochemical compounds, or who are interested in learning about the practice of state-of-the-art innovative analytical methodologies for new product development or R&D.

Sponsor and Exhibitor Opportunities

ISPPP 2019 will take place on July 10-12, 2019 in the Hyatt Regency at the Baltimore Inner Harbor, Maryland, USA. The program of lectures, posters, exhibits and mixers will all take place in the Constellation Ballroom of the Hyatt Regency. The exhibition will offer participants opportunities to check out innovative products, to explore ground-breaking technologies, and to discuss challenges and solutions with experts in the exhibition. Exhibiting sponsors will also have the opportunity to present a free vendor seminar to attendees during the conference. We invite you to become a sponsor, to consider exhibiting, and to submit abstracts for oral and/or poster consideration. Also, we are pleased to extend our invitation for active participation of sponsors to provide program guidance and to be involved during the upcoming planning cycle to shape both the technical program and enhance exhibitor activities.

In addition, ISPPP will be held to overlap with PREP 2019, the most recognized international conference in the Preparative and Process Chromatography field. A single, discounted registration fee will provide access to both of the conferences that will be held the same week in the same conference venue. Both conferences will organize a full day overlap on Wednesday for joint technical program activities to take advantage of technical content and networking synergies. The ISPPP exhibit opens on Wednesday morning and will be attended throughout the day by both ISPPP and PREP conference participants.

It's an exciting time for the separation science of biological molecules. The field continues to grow and adapt, enjoy better materials, instruments and methods, and a seemingly never-ending list of interesting molecules to work on! As a leader in this arena, we would appreciate your contribution to the program by becoming a valued sponsor of the longest running international symposium on biological separations run by practitioners, for practitioners. The conference has major support from the scientific community; however, there is no association providing funding for the meeting. Therefore, it is critical to raise funding through sponsorships to help support the program. We appreciate your thoughtful consideration to the request and look forward to hearing from you.

Sponsor and Exhibitor Packages

Sponsorships are awarded based on level of sponsorship and date of definite commitment

Diamond Sponsor – \$3,500 ✉ Sponsoring organization: _____

Select Two Options – Additional “add-on” options may be purchased

- Sponsor and provider of one-colored lanyards (sponsorship available to the first company who selects this option; company supplies lanyards)

ISPPP 2019 AGREEMENT -- RULES AND REGULATIONS

LOCATION — Exhibits, Poster Sessions and Symposium will take place in the Hyatt Regency Baltimore Inner Harbor Hotel in Baltimore, MD, USA. Hyatt Regency Baltimore Inner Harbor Hotel, its owner, operator and affiliated companies are herein referred to as "HOTEL". The exhibit space is located adjacent to the main meeting room. The Society for the Advancement of Separations Technology, and/or Barr Enterprises, herein referred to as ISPPP, reserves the right to assign space and make such modifications as may be necessary to adjust the floor plan to meet the needs of ISPPP.

EXHIBIT HOURS, REGISTRATION, AND HOUSING — Exhibitor hours, registration, and housing information is posted on the web site. Exhibitors and/or sponsors are herein referred to as "EXHIBITOR". Each EXHIBITOR must check in at the Symposium Registration Desk prior to set-up to receive their badge. As a courtesy to conference participants and fellow exhibitors, exhibits must be staffed throughout each show day during show hours until the official closing time of the exhibit on July 11, 2019.

TABLE-TOP BOOTH EQUIPMENT AND SERVICE INFORMATION — This is a table-top show; however, EXHIBITOR may set up an 8'x10' pop up booth if desired. Included in the exhibit space is one six-foot draped table that is approximately 30 inches deep with two chairs. The hall is carpeted. EXHIBITOR show services information will be available in May to include complete shipping instructions.

CONTRACTORS — ISPPP will designate various official contractors for such services as installation and dismantling, drayage, decorations and photography. EXHIBITOR is free to contract with non-official contractors; however, no non-official contractor will be authorized access to the exhibit area or space unless ISPPP is notified by the exhibiting organization prior to set-up and ISPPP has received a certificate of insurance from non-official contractor naming additional insured, as stated in section, "INSURANCE," and evidencing that such non-official contractor has in place the same types and amounts of insurance as we require of you, the EXHIBITOR, covering claims arising out of the non-official contractor's operations at the exhibit location or in the space. No solicitation of business by any non-official contractor will be permitted in the exhibit area.

CANCELLATION — All cancellations must be forwarded in writing to the ISPPP 2019 Exhibit Manager. ISPPP will refund 50% of the monies paid for exhibit space if ISPPP receives written cancellation by February 1, 2019; no refunds will be made after February 1, 2019. Failure to occupy exhibit space does not release the EXHIBITOR from obligation to pay for the full cost of rental. If exhibit space is not occupied by one hour prior to show opening on Wednesday, July 10, 2019, ISPPP reserves the right to use the space as it sees fit to eliminate empty spaces in the exhibit area. ISPPP, Society for the Advancement of Separations Technology, and Barr Enterprises shall not be liable in any way for any loss, damage or injury resulting from the cancellation of the event or from temporary or permanent closing for any reason of all or any portion of the HOTEL. ISPPP reserves the right to change the location of the event to other localities or premises. In such event, reasonable prior written notice will be given to EXHIBITOR. If prior written notice is given to EXHIBITOR, EXHIBITOR waives its right to all damages, expenses, losses or claims of any nature arising out of such change of location.

USE OF EXHIBIT SPACE — EXHIBITOR must confine all demonstrations or promotional activities to the limits of the exhibit. Sufficient space must be provided within the space to contain persons watching demonstrations and other activities. EXHIBITOR is responsible for keeping the aisle(s) near their exhibit space free of congestion due to demonstrations or other promotions. No EXHIBITOR shall assign, sublet, or share space without the knowledge and written consent of the ISPPP Exhibit Manager. Organizations or firms not assigned exhibit space will not be permitted to solicit business within the exhibit area or confines of the HOTEL. EXHIBITORS are urged to report any violation of this rule to the ISPPP Exhibit Manager. In all exhibit areas, built-up exhibits or other construction, including the company name or other advertising, shall not exceed a height of 8 feet at the back of the exhibit without ISPPP consent. The height along the side may not exceed 4 feet for the front half of the display in from the aisle. Interference with the light and/or space of other exhibitors is prohibited. All sound equipment and other noises must be kept at a level low enough that it will not disturb other exhibitors. Public address systems, radio broadcasts, or any other devices used only to attract attention by sound are prohibited. ISPPP reserves the right to turn off the electricity for any EXHIBITOR who violates this rule. ISPPP reserves the right to restrict or evict exhibits that become objectionable because of noise, method of operation, materials, or any other reason, including the opinion of ISPPP that the objectionable exhibit detracts from the ISPPP exhibit as a whole. This reservation includes persons, things, conduct, printed matter, or anything of a character that ISPPP determines is objectionable. In the event of any restriction or eviction, ISPPP is not liable for any refunds or other expenses.

CARE OF BUILDING AND EQUIPMENT — EXHIBITOR, or their agents, must not injure or deface the walls or floors of the building, the exhibit space, or the equipment of the exhibits and surrender the space occupied during the exhibition (ordinary wear and tear excepted) in the same condition as it was at the time of the EXHIBITOR'S use and occupation. If such damage appears, the EXHIBITOR is liable to the owner of the property so damaged. All materials used in decoration must be flameproof. Electrical wiring must conform to the National Electrical Code Safety Rules. Combustible materials or explosives are not permitted in the HOTEL.

COPYRIGHT FEES — Any and all copyright fees applicable to activities or events conducted by an individual exhibitor or group of exhibitors will be the full responsibility of said EXHIBITOR(S).

SECURITY — ISPPP does not warrant or guarantee the presence of guards at any particular time or place in or near the exhibit area. ISPPP shall have no duty or obligation to safeguard or insure EXHIBITOR'S property or personnel and by its execution of the Agreement, EXHIBITOR understands and agrees that EXHIBITOR is solely responsible for protecting and securing its property and personnel. Each EXHIBITOR must make provision for safeguarding its own goods, materials, equipment and display at all times and is responsible for obtaining insurance in such amounts as deemed appropriate to comply with its own protection. All property of EXHIBITORS is understood to remain in their care, custody, and control in transit to or from or within the confines of the HOTEL. Exhibitor must obtain a blanket rider (portal-to-portal or other "extraterritorial" insurance) to protect its property, personnel and visitors both during the Event and in transit to and from the Event against loss of any kind including, but not limited to, fire, damage and theft. Neither HOTEL, Society for the Advancement of Separations Technology, ISPPP, nor Barr Enterprises' liability insurance covers EXHIBITOR'S property, personnel or visitors against loss, theft, damage or injury and HOTEL, Society for the Advancement of Separations Technology, ISPPP, and Barr Enterprises, its officers, directors, employees, agents and representatives are not liable or responsible for any such loss, damage, injury or claim. Small equipment or supplies should be safeguarded against theft before, during and after the Event. EXHIBITORS are responsible for their own material. If constant surveillance of exhibit equipment or supplies is necessary, EXHIBITORS must make their own arrangements for security.

INDEMNIFICATION AND HOLD HARMLESS — EXHIBITOR assumes the entire responsibility and liability for losses, thefts, damages, injuries and claims arising out of EXHIBITOR'S activities on the HOTEL premises, and will indemnify, defend, and hold forever harmless the HOTEL, Society for the Advancement of Separations Technology, ISPPP, Barr Enterprises, its officers, directors, employees, agents and representatives from any and all such losses, damages, and claims, present or future, known, anticipated or unanticipated, against and from (i) any penalty, damage or charges including reasonable attorney's fees imposed for violation of any law or ordinance occasioned by the act or neglect of EXHIBITOR or those holding under EXHIBITOR, (ii) all claims, loss, theft, liability, judgment, cost, damage or expense including all reasonable attorney's fees arising out of or from any accident or other occurrence causing injury or death to any person or damage to any property on or about the exhibit area, including transportation to/from the HOTEL, occasioned by any act, omission or negligence of EXHIBITOR, its employees, representatives, agents and those persons attending the Event at the specific request or invitation of EXHIBITOR, and (iii) all claims, losses, liability, judgment, cost, damage or expense including reasonable attorney's fees, arising out of or occasioned by any failure of EXHIBITOR in any respect to comply with and perform all the requirements and provision of this Agreement.

EXHIBITOR'S OWN RISK — EXHIBITOR understands and agrees that ISPPP has only a license to use the HOTEL and that ISPPP is not in any way responsible for the condition or maintenance of the HOTEL. EXHIBITOR understands and agrees that all of EXHIBITOR'S personal property of every kind or description which may at any time be in the HOTEL shall be at the EXHIBITOR'S sole risk. HOTEL, Society for the Advancement of Separations Technology, ISPPP, Barr Enterprises, its officers, directors, employees, agents and representatives shall not be liable for any damages to said property or loss suffered by any cause whatsoever including but not limited to water from any source whatsoever or from the bursting, overflowing or leaking of sewers, steam pipes or from heating or plumbing fixtures or from electrical wires or from gas or odors or caused in any manner whatsoever. EXHIBITOR agrees to place and maintain at EXHIBITOR'S own expense adequate insurance to cover all personal property placed by EXHIBITOR in the HOTEL. EXHIBITOR covenants and agrees to indemnify and hold HOTEL, Society for the Advancement of Separations Technology, ISPPP, Barr Enterprises, its officers, directors, employees, agents and representatives harmless from any injury to or death of EXHIBITOR, EXHIBITOR'S agents, employees or those persons attending the Event at the specific request or invitation of EXHIBITOR resulting from or arising out of EXHIBITOR'S use of the HOTEL except that attributable to the negligence or willful misconduct of the Event.

INSURANCE — Insurance and liability are the full and sole responsibility of the EXHIBITOR. Minimum general/contractual liability insurance coverage required per occurrence is \$1,000,000 personal, bodily injury, death (PI), \$1,000,000 property damage (PD), if applicable worker's compensation insurance, \$500,000 employer's liability insurance, and \$1,000,000 automobile liability insurance covering all owned, non-owned and hired vehicles. Your insurance will be considered primary. If you use an outside vendor, contractor or service provider to deliver, set up and/or take down booths, exhibits, staging, equipment or for any other purpose, the vendor, contractor or service provider must maintain the same types and amounts of insurance as we require of you, the EXHIBITOR. EXHIBITOR shall supply a Certificate of Insurance certifying the coverage mandated above. EXHIBITOR shall require a similar Proof of Insurance certificate from its exhibit-related contractors, certifying the liability coverage mandated above. In addition, EXHIBITOR agrees to hold the indemnities harmless from all losses, thefts, injuries, costs, claims, causes of action, obligations, suits, damages, liability, expenses and costs, including reasonable attorney's fees, present or future, known, anticipated or unanticipated, arising from or out of any violation or infringement by EXHIBITOR, EXHIBITOR'S agents or employees of any patent, copyright or trade secret rights or privileges. EXHIBITOR will not be permitted to enter the exhibit area or use the space unless the certificate or waiver is delivered to ISPPP. Certificate holder and address: Society for the Advancement of Separations Technology, c/o Barr Enterprises, PO Box 279, Walkersville, MD 21793, USA. Certificate must also contain "Additional Insured: Barr Enterprises, its officers, directors, employees, agents and representatives, and Hyatt Regency Baltimore Inner Harbor Hotel and its owner, operator and affiliated companies."
